

## HFA Database Update

Hull/Holl/Hohl Family Group Sheets Always Available to HFA Members

**Order from Phyllis J. Hughes, HFA Genealogist,**

**<phyllisjhughes@hullfamilyassociation.org>**

Our total number of family group sheets is now **22,039** as of November 2011.

Please send your sheets to us when you fill out your lineage form or at any time after that. We still accept family group sheets from all of our HFA members, whether you joined years ago or yesterday.

We also will send out our family group sheets to you by e-mail. There is no charge for this for HFA members. When requesting family group sheets, please ask for

- (1) Not more than 3 sheets at a time
- (2) Give the name and spouse's name for the sheet you are requesting; the name Hull/Holl/Hohl must appear on the family group sheet.
- (3) Lacking the spouse's name give some dates and locations.  
This will help to identify the generation which you are requesting.

All of our family group sheets list our references, which we have here in our HFA files.

A sincere thanks to all of you who have sent us your family group sheets. We appreciate that very much.
